

Perform with precision, float with finesse.

# VECTRA™

At better dealers, worldwide.

## VECTRA VIRTUOSO - Expert Grade Invisible Thread

The most invisible thread available. Delicate but undetectable, even close up. Perfect for intimate performances.

- Dollar bill
- Cigarette
- Playing card

## VECTRA OVATION - Medium Duty Stage Thread

Endless applications for stage, parlor or more intimate performances under controlled lighting. Monofilament.

- Dancing Cane
- Bird Cage
- Larger objects

## ORIGINAL VECTRA - Super Strong Invisible Thread

Legendary strength to invisibility ratio. The preferred choice for close up routines and refilling reels.

- Larger coins
- Sharpie pens
- Sunglasses

## Vectra MAXX - Heavy Duty Stage Thread

Animate and lift very heavy objects under controlled lighting or on stage. Incredible strength.

- Very Strong
- Solid black
- Monofilament

## VECTRA X2 - For the Small Stage and Close Up

Invisible from just a few feet away. Works in some reels. Ready to use out of the box, no stripping required.

- Haunted Deck
- Floating Ball
- Floating Wand

## VECTRA EZ HD - For High Resolution Performances

Performs well in difficult lighting and sunlight. A popular and inexpensive solution for streaming performances.

- Dollar bills
- Candies
- Playing cards

Six levels of invisibility and strength ensures you'll be ready for any situation, confident that you're using precisely the right tool for the job.

This comprehensive collection of threads is the levitation artist's ultimate palette. Use it to create your masterpiece.

\* Strength ratings are approximate and represent the maximum load supported by a single strand before breakage in test or demonstration conditions. These numbers are for reference only and not recommended during performance. Thread breakage is largely dependent on handling and technical ability.
